Phone number:

Email address:

Relationship to you:

### Final year subjects studied and predicted grades

---

### Tell us about your plans next year

---

- Are you going to university? If so, what do you hope to study, and where?
- If not university, how do you plan to spend the year?

## Leadership involvement

---

Tell us in a maximum of 150-200 words about a leadership position you have held in or outside of school. Please tell us about:

- Your role, and the scope of the role
- Proudest achievement
- Impact created
- Skills developed

## Challenging situation

---

Tell us in a maximum of 150-200 words about the biggest challenging situation you have faced in the last 2 years. We would like to hear about:

- What made the situation challenging, e.g., scale, time, and people involved?
- How did you approach the challenge?
- How did it turn out? (Please describe both what went well, and what didn't)
- What lessons have you learned?

## How did you hear about McKinsey Leadership Academy?
