

Leadership Academy entry requirements

We look for exceptional students from many different educational backgrounds who are intellectually curious, eager to learn and further develop their leadership skills. We look for students who show great potential for leadership and have a record of achievement at school and in their personal lives.

We look for minimum qualifications of AAB at A level or equivalent. CV should include a full academic record, including all examination subjects and grades.

As well as listing academic achievements, we would like to hear about any extracurricular interests such as voluntary work, sporting attainment, musical accomplishment or entrepreneurial activities.

Successful applicants need to be 18+ by the end of June 2017.
